

# q art: GOLIATH SIGNED WORKS

Contemporary art as well as photography underwent an incredible boom in the past 30 years. Reason enough, to finally build your own collection. If, when, how or why a piece of art increases in value can only sometimes be predicted. Unfortunately there is no guarantee. Rule number one is, to merely collect what you personally like.

This is why Goliath has compiled a beautiful selection of images from which you can choose the ones you like best. The prints are high quality,

limited to 30 copies and available at a great entry-level price.
