

q pride: DARWIN PRIDE FESTIVAL 2024

Multi-platinum selling and Aria nominated RICKI-LEE is confirmed to headline Darwin Pride Music Festival on Saturday 22nd June 2024.

Australian pop diva, TV star and radio legend RICKI-LEE will make her Darwin debut when she hits the stage to headline the Top End's largest LGBTQIASB+ celebration later this year in June.

With a career spanning over twenty years, Ricki-Lee has sold over a million records globally, has almost 100 million streams, and has become a household name as the host of Australian Idol, Australia's Got Talent and Ricki-Lee, Tim & Joel on Nova.

"I can't wait to see Darwin Pride in all its glory!" says Ricki-Lee. "I've always been so proud to be an ally to the community, so it's such an honour to come and perform at such a special event. Bring your dancing shoes and singing voices - cuz you're gonna need them!"

The "On My Own" singer will join a diverse lineup of queer stars at Darwin Pride Music Festival including international party DJ YO!MAFIA and singer/songwriter BEC SANDRIDGE. JOJO ZAHO, VICTORIA ANTHONY and BENNYGOLD will also perform at the festival, which will take place at Fort Hill Parklands in Darwin's Waterfront. Drag royalty KALIN KLEIN, DAMMIT JANET and KARNA FORD will MC and perform at the event, with appearances from the DRAG TERRITORY DIVAS and MADISON.

The theme for this year's Darwin Pride is "Celebrating the differences that connect us". With a vast programme for all members of our LGBTQIASB+ community and allies, we're committed to making it even more safe, collaborative, educational, exciting and unapologetically queer than ever before.

Tickets to the Darwin Pride Festival are on sale now at [Moshtix](#).

Head to Top End Pride's website (topendpride.com.au) to learn more about events and stay tuned to our social media (@darwin_pride on Instagram or Darwin Pride on Facebook) for further announcements.

Darwin Pride will take place on Larrakia land. We pay our respects to elders past and present, and recognise that this always was and always will be Aboriginal land.
